

Welcome to Ebenezer Youth!

We are so excited your grade 6–8 aged youth is potentially going to join in on what God is doing at Ebenezer youth. We hope your youth will find a safe place to have a lot of fun, find a genuine community, explore the biggest questions in life, and have a personal relationship with Jesus. Our vision is to see youth who join our community to know and follow Jesus generations after they are out of youth in a practical and authentic way. We say that because we want to equip your youth with the proper tools not just while they are young but long after when they get older! The grade 6–8 age group is such a critical age category in an adolescent's development, and we want to ensure that you are entrusting your child to the right place in this extremely crucial time of your youth-aged kid's life. Nonetheless, below is some vital info to know!
